-PLT had negotiated some positive movement to reclaim the Sussex/Rideau area. There was a time delay to confirming authorization for the move. It was learned that there was a certain amount of partying with this group through the day and they were much more emboldened when they tried to accommodate the move early evening. Three Bobtails wanted to depart the area and return home and PLT attempted to co-ordinate but the trucks, PLT, City workers and ARX workers were surrounded. The other protestors would not let them leave. Police stepped back and allowed the situation to deescalate. The trucks will remain on site for now and PLT will attempt again after discussions with main organizer.

-Reports of secondary detention site address being posted on Twitter, OPS equipment removed and unmarked car positioned to monitor 185 Slidell overnight

-Traffic slowdown as a convoy crossed the city on 417, 35 heavy vehicles, similar amount of passenger vehicles. Convoy dispersed past the split and moved back up to highway speeds

-1 arrest in Red zone unrelated to convoy -MHA issue

-information received that a counter protest will be taking place on Saturday -far left participants , expected to be 4-500 people leaving from Lansdowne - 3 km march to unidentified destination

Operational planning continues with the SCC for the next period.
